

## **Maintenance Tech – A**

**LOCATION:** Waukegan, IL (Based at UGN, may also travel to PWK and DPA)

**DEPARTMENT:** Jet Maintenance

**REPORTS TO:** Director of Maintenance

Founded with one aircraft over two decades ago, DB Aviation is one of the premier Aviation Services companies in the country. With an Executive Charter fleet strategically located throughout the nation and our Executive FBO serving Chicago, DB Aviation provides Luxury Service coast to coast.

DB Aviation is located at the Waukegan, IL Airport (UGN-Illinois) which is an easy commute from Chicago or SE Wisconsin. We offer an excellent compensation package and outstanding benefits, including major medical, life, accident, disability, dental coverage, and a 401K Retirement Plan with a generous Company matching contribution.

### **POSITION SUMMARY**

Working in a team environment and under limited supervision, this position is responsible for performing routine maintenance and repair on all types of turbine powered aircraft for both company operated aircraft as well as outside customer aircraft.

### **PRIMARY RESPONSIBILITIES**

- Troubleshooting, repair and maintenance of airframe, avionics and engines.
- Engine removal, reinstallation operational checks, leak checks and engine runs.
- Organizing work plan in an efficient and resourceful manner.
- Holds self accountable to perform their duties consistent with DB Aviation's Service and Safety Standards, guided by our Core Values.

## DESIRED EXPERIENCE

- Citation, Learjet, Hawker, Falcon or Astra.
- Avionics
- NDT experience or certification
- Sheet metal

## REQUIREMENTS

- High school education or equivalent. A&P license required. I/A preferred.
- Must possess valid driver's license.
- Five or more years corporate aircraft experience.
- Highly knowledgeable in troubleshooting.
- Demonstrated proficiency in reading wiring diagrams.
- Have successfully completed at least one corporate aircraft initial course.
- Must be a motivated self starter and capable of following directions.
- Must be able to lift 50 lbs, work within the confined spaces of corporate jets, and be able to work from ladders or lifts.
- Must have own hand tools.
- Must have a high energy level and a sense of urgency coupled with the ability to work well under a time schedule, perform multiple tasks and appreciate deadlines.
- Must read, write and speak English fluently.
- Must be willing to work flexible hours and over-time, if necessary.
